ANZACATA – your professional Association

statement of purpose

The Association exists to support, serve and advocate for its members and to uphold and enhance industry standards and professionalism.

values

The Association values

- Creative expression as a human right
- Arts as central to the therapeutic process
- Embracing diversity and connection
- Promotion of wellbeing and enhancing human potential
- Ethical decision making and respectful communication
- Arts based research
- Working safely and ethically

strategic priorities

organisational sustainability

Maintain a sustainable organisation that is adequately resourced and accountable to its Members

government relations & advocacy

Be the voice for Members and the profession and partner with governments to drive policy and shape the current and future direction of creative arts therapies

professional standards

Enable and support our Members to uphold professional and ethical standards to foster trust amongst those that use creative arts therapy services

member & stakeholder engagement & communications

Collaborate with our Members and proactively build relationships with professional organisations and key stakeholders to promote our profession

professional development

Inspire a culture of lifelong learning for creative arts therapists and provide our Members with accessible & relevant professional development and learning opportunities of a high standard to meet their professional practice needs now and, in the future
